REWARDS: RE-ENGINEERED

NOW GET COMPS, CASH, AND CARS.
YEAH...CARS!

Introducing the New Club Metro!

Earn rewards twice as fast, and use them in more ways than ever. Like...a brand new car. Seriously, a new car!

We've re-engineered Club Metro to put you in the driver's seat. Beginning April 2, you'll earn MotorCity Miles™ every time you play at MotorCity Casino Hotel. Miles are earned instantly, and rack up faster than before. Like... twice as fast! The best part? You can use your Miles WHENEVER and HOWEVER you choose. Comps, Cash, and even Cars.

MotorCity Miles™. You have Complete Control.

- COMPS. Use Miles to comp everything you love at MotorCity Casino Hotel (delicious meals, cool stuff at our hotel gift shop, luxurious hotel rooms, rockin' Sound Board® shows, and more)!
- CASH. Convert your Miles to Reward Play which you can then download at your favorite slot machine. Use our kiosks, website, or even our brand new smartphone app to manage your Miles!
- CARS. We're bringing Club Metro to the streets. Save your Miles to lease a brand new car. That's right...a brand new car!
- JUMP START. You're not starting on empty: your current comps will be converted to MotorCity Miles™ on April 2.

Think of it as Club Metro with that new car smell.

MotorCity Miles™.
Rewards Re-engineered.
