1. Tap on the card for the event you are transferring your tickets.

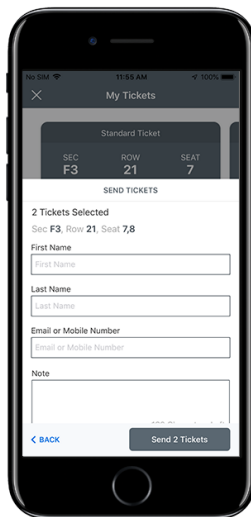

2. Tap "Send" in the bottom left corner of the screen.

3. Select the tickets that you are transferring and then tap "Send To" in the bottom right corner of the screen.

4. Tap "Select From Contacts" if you would like to transfer to someone in your phone's contact list or "Manually Enter A Recipient." You can choose to send via text message or by email.

5. Fill out the form and tap "Send" in the bottom right corner of the screen.

The tickets will be marked as "Sent" until the recipient opens the link and accepts the tickets. Once accepted, the tickets will be marked as "Claimed" in your account.
