1. Tap on the card for the event you are attending to view and manage your tickets.

2. Tap "View Barcode" to display the QR code that you will present at the venue entrance.

We encourage you to add your tickets to Apple Wallet or Google Pay before arriving.

Tap "Add to Apple Wallet" or "Save to phone" to add tickets to your mobile wallet.

3. Present the QR code for scanning at entry using either the mobile app or accessing your mobile wallet.
